* Returns are simulated and based on the underlying funds at the initial weightings and are net of published asset manager fees. Returns greater than a year have been annualised.

** Please note: The weighted average TER is indicative as per the Momentum platform and varies daily as the weightings of the funds vary. The abovementioned fees exclude Financial Advisor fees and platform fees, but include VAT.

*** Longest available class returns are used and where applicable simulated returns are stitched to these returns to simulate a longer period.
